

# HEADED TO WELDING SCHOOL?

## Apply for the Spark for the Future Scholarship!

Each year, local fabrication shop **Woven Metal Products** gives out a \$1,000 scholarship\* to a Houston-area student who's pursuing instruction in welding and related metal-working specialties.

**Apply online:**  
<https://wovenmetal.com/spark-application/>

**Applications open each January and close each June.**

\*Scholarship applies to vocational and accreditation programs, as well as two- and four-year undergraduate programs. If selected, enrollment verification required. Anticipated graduation date must be after 8/15/25. Applicants must live in or be attending a school in one of the following Counties: Brazoria, Fort Bend, Harris or Galveston.
